New for Summer Camp 2012:

Each session will have a special riding focus in addition to the regular camp and a bonus activity on the second Tuesday! The themes are:

Session I, June 18 - June 29: Hunter and Pleasure Riding in the Show Ring, plus Horseless Horse Show

- Learn the difference between riding in a hunter class vs. a pleasure class at a horse show and how to succeed at both! For our bonus activity, the kids work in teams to design their own show ring. Then the teams will construct and compete in a horseless horse-show using their design. May the best course win!

Session II, July 2 - July 13: Equitation, plus Horse Costume Party

- Back to basics! Working from the ground up to improve the rider's habits and form. For our bonus activity, each team will dress their horse or pony in a costume of their group's design (materials will be provided), and then join in the Pony Costume Parade. Laughter is sure to be had!

Session III, July 16 - July 27: Basic Principles of Dressage to Improve Communication, plus Pony Salon Day

- Learn how dressage techniques can improve communication with your horse, as well as improve the hunter seat and rider's position. For our bonus activity, the kids get to primp and style their ponies. From glam up dos and braids to mohawks and spikes, the kids will have a blast!

Session IV, July 30 - Aug 10: Fitness and Care of the Horse and Rider, plus the Buckingham Valley Farm Summer Olympics

- Learn about the importance of rider fitness as well as the fitness and care of the horse. We will also have our Annual Buckingham Valley Farm Summer Olympics. The kids get to engage in some fun and friendly competition. A camp favorite!!
